

Each year, Union Theological Seminary and Presbyterian School of Christian Education awards congregations in the Presbyterian Church (USA) for outstanding, innovative ministry with special populations, early childhood education, excellence in Christian education, effective youth ministry and outreach and social concern.

Since 1991, 76 churches in 29 states have benefited from these awards. Each award contributes \$1000 to the further development of these ministries.

If your church would like to apply for one of the Union-PSCE Congregation Awards, please reply by email for an application to academicdeanoffice@union-psce.edu <<mailto:academicdeanoffice@union-psce.edu>>.
